Dear Parents and Carers,

Re Year 5&6 class and Design Technology

I am writing to let you know that following a successful recruitment round this week, we have appointed a new member of staff who will join us post Easter break.

Mrs Gilyead is a primary teacher with many years of experience and will certainly add value to our team going forward as a full time, permanent member of staff.

I am delighted that Mrs Simeone will be remaining as part of our team as well!

Therefore, from Monday 25 April, 2022 we will have a 'job share' between Mrs Simeone and Mrs Gilyead. We can confirm that Mrs Gilyead will also deliver Design & Technology from Reception Class through to Year 6 as her time commits.

We will look to re-advertise the remainder of the D&T post which currently includes the teaching of Food Technology and Resistant Materials in Years 7, 8 and 9, with a view to appointing to this position as soon as possible.

Yours sincerely,

Mr M A Winward
