

Youth clubs at the Butes

To ensure we are offering a service that best suits the needs of young people, we sometimes need to change or tweak things to ensure this is happening.

Starting from **9th November** our Thursday Senior club will become an intermediate Club for year groups 7 to 9 only and run from 7:30pm to 9pm.

New Location

This leaflet has all the new information about the Youth Commission's vision and services, new and current, for Alderney. Please read to find out more.

The new services and changes have been made with young people's input every step of the way.

What's new?

The Youth Commission has added a second location to be able to provide further support and services to young people in Alderney. This will officially start from **9th November**.

The second location can be found at the old book shop in Victoria Street.

We will continue to run our youth clubs through the Butes building every Thursday but now, young people also have the opportunity to access more services and a Youth Worker outside of these times.

New services...

We are passionate about ensuring Alderney young people have access to the same, high quality service as young people in Guernsey.

What we aim to provide

One to one listening support –

Sometimes we don't always feel our best, we might be worried about things, feel low or angry. It's important that you have someone you trust to talk to when these feelings happen. Talking can improve your mood and help you make sense of those feelings.

PSHE based group sessions – Schools provide you with vital learning, but it is also important to learn things outside of school that might affect you in everyday life.

Things like: Wellbeing/mental health, healthy relationships, sexual health, online safety, LGBTQ+ groups, self-esteem, quiet club (for ASD young people) and drug and alcohol awareness.

Once a term we will trial a different topic that will last 4 to 6 weeks or be a one-off evening session. You will be able to sign up or be referred by your teacher or your responsible adult.

Study/homework hub – giving you more options to get homework or revision done by providing a comfortable and quiet space where you will have access to:

- **Different days for different classes/ages**
- **Resources – Pens, pencils, paper and erases.**
- **Internet access**
- **iMac Computer**
- **Drinks and snacks**
