Dear Parents

### **Diary Dates & Open Morning**

Please attend our Open Morning which will take place next **Wednesday 24<sup>th</sup> September** between **8.15 and 9.15am.**

We have chosen this time to enable you to visit at the start of the school day as we are aware that it's often difficult to find time in a busy working day. You will meet with some of the staff team, learn about some of the exciting developments for 2025-26 & have a tour of the school to see learning taking place. We hope you can make it!

- School Photographs – Tuesday 30<sup>th</sup> September
